

TASTER SESSION REGISTRATION

In order to attend a taster session, you can sign up at reception, but we would encourage you to do so beforehand using this link:

<https://oxforduniversity.leisurecloud.net/JoinAtHome/landing.aspx?AppId=JHJHCO>

- Once you arrive on the platform, choose “Yes I have an email and password”, insert your details and click next
- If you have never logged in before and are a student, still choose “Yes I have an email and password”, use the forgotten password link and insert your college email to reset set / reset your password, then repeat the step above. Almost all students already have an account with us automatically when they enrol at the University. If no account appears after this step you should create a new account.
- Choose “sign-up for a membership” and click next
- Choose “Clubs: Tasters Access” and click next
- Choose the product for the relevant club you wish to attend sessions within and click next
- Choose a start date (usually today - if you want to access sessions immediately you must choose today) and click next
- Make sure your details are correct, add any required fields (such as emergency contact and SSO) and read and agree to the T&Cs, health questionnaire and privacy policy, and the click next
- Check your details and click pay and finish (the product is £0.00, so you will not be taken to a payment portal)
- Once purchase is completed, access will be automatically on your BodCard instantly. If your card doesn’t work on the access gates (or you don’t have a BodCard) please visit reception to sync your card correctly (or pickup an access card instead).
